2012 in Weymouth

Weymouth & Portland Location

Improving the quality of life for the people of Dorset, now and for the future

Going for Gold

Travel Demand Management

What does it mean for Weymouth and Portland?

 Early communication and high levels of local awareness are key:

The extent of the impact that the Games will have on transport?

What alternative options are available?

How best to plan travel during the Games?

Tested at previous Games – reductions achieved in Sydney, Salt Lake and Vancouver.

ymouth & Portland 2012 Transport
